metaphor for comic

- Machine - working on a machine - oil, gas, etc, what the machine likes

-Brain lighting up-

- yes vs no -

-Avoidence

-slippery slope, learning to ice skate, learning any sport

-Avoiding things

-sleep timer snooze, some people hit it to sleep in other hit it to Avoid starting the day

> using one of those Assists Because you want to start learning others Rely on it to Avoid Falling

[illegible] how does the [illegible] metaphore work

- the Brain as a sponge, washing, soaking

Comic color 4/8/2026

- Probably warm Browns... ?
  Mostly
- Kinda like the idea of Red green Gray ? to represent good bad...
- Kinda want green ?
  Blue for Fifth Page
- Green, blue, Brown ? yellow, maroon,
- Maybe a Bit Desaturated
- Green, Brown, yellow ? That yellow Filter look ?
- maybe like 1 color To harmonize Palette,
- 1 color + Greyscale - green. ?
- Might want a light Blue as well

I might want Brighter colors for Last Page

8-10pt Font

8x10 inches!

Don't Forget

how to show Rain being less Reactive.

- Not hot enough
- Adding more hot water.

→ maybe show the Bathwater Boiling
